Short-term Research Stays

2023-24

The Collegium offers short-term research stays (approximately two weeks to two months) to individual scholars and small groups from all countries.

The research stays give scholars the opportunity to concentrate on their own research interests, free from the teaching and administrative obligations of ordinary university life.

Applications are assessed on a rolling basis.

The application deadline for the academic year 2023-24 is on 28 February 2024.
