

AGEW2022 – Oxford Abstracts User Guide

This guide briefly covers two main features of Oxford Abstracts:

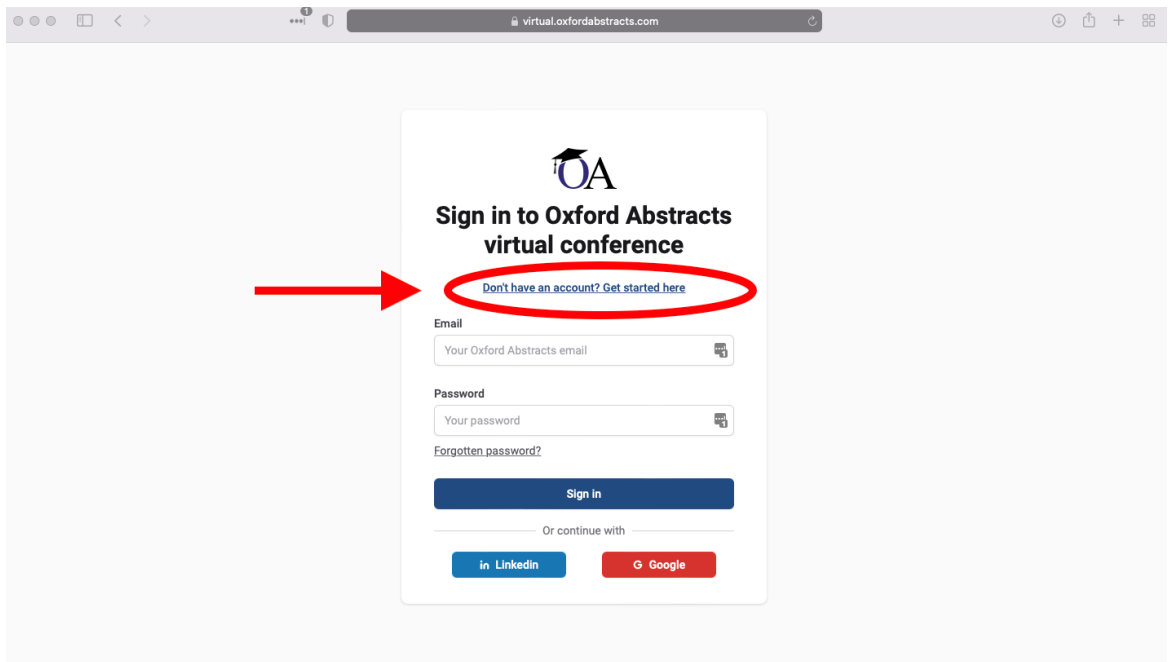

- How do I access the Zoom links in Oxford Abstracts?
- What else can I do in Oxford Abstracts? ([skip to page 4](#))

How do I access the Zoom links in Oxford Abstracts?

1. Go to the AGEW2022 public program webpage
<https://virtual.oxfordabstracts.com/#/p/agew2022/program>
2. Click on “Sign in” in the top right corner.

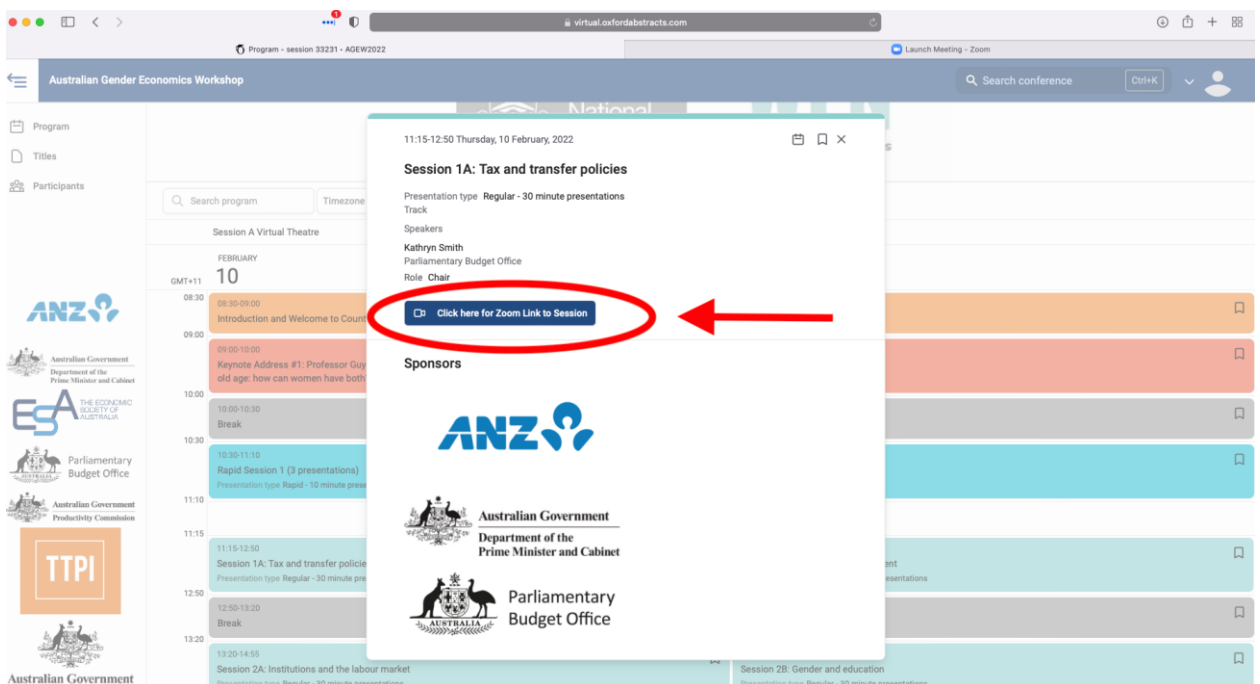

3. Create an account using the email address used to register for AGEW (or the email address you used to correspond to the organising committee in the case of complimentary registration). This can be done by clicking the “**Don’t have an account? Get started here**” link.

Follow the prompts to create your account.

4. Click on the session you'd like to watch (e.g. Session 1A) and click on the **"Click here for Zoom link to session"**. Please note Zoom links will not be available through Oxford Abstract until one week before the AGEW.

What else can I do in Oxford Abstracts?

- You can create your own profile and show your social media presence.
- You can directly message other participants.
- You can check out some of the Exhibition Booths of our sponsors.

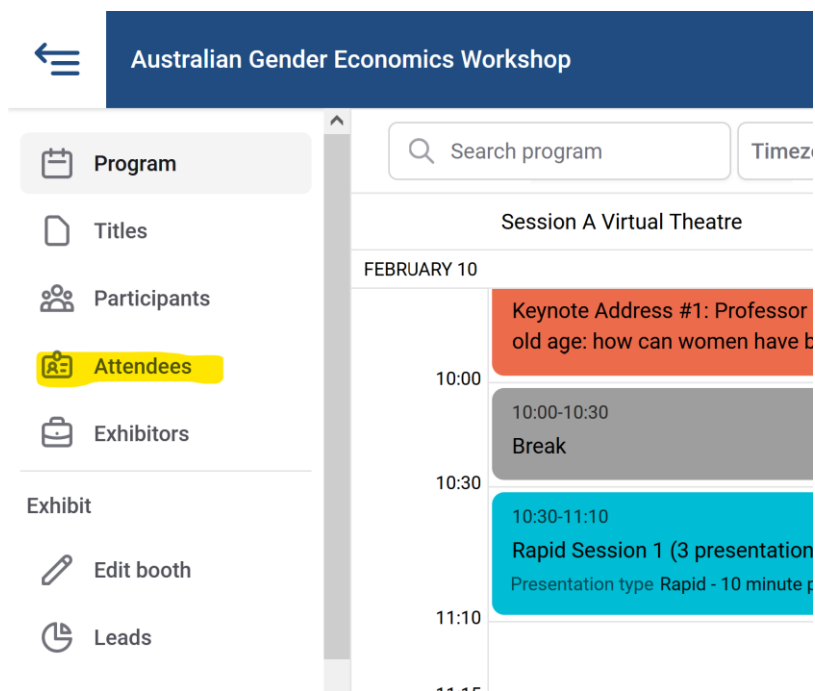

Create your Profile

If you missed the option to add your profile when you created a login, you can update your information by clicking on your image in the top right corner and “edit badge” to upload your photo and social media details.

Messaging

To directly message other participants – use the side menu to navigate to the Attendees icon

Exhibition Booth

Click the “Exhibitors” menu option to view our virtual exhibition booths of some of our sponsors.
